

Alexandria Gazette

FRIDAY EVENING, SEPT. 28.

FALL AND WINTER BONNETS.—Among the novelties introduced this season are fruits of every sort, peaches, plums, grapes and oranges being especially prominent. Berries of all kinds are shown—strawberries, black, red and white currants, blackberries, etc. The strawberries are made of red velvet with yellow stitches. The strawberry leaves and white open blossoms are very pretty.

Another fanciful novelty is the display of little red apples made of velvet. The bandeaux for hats are in great variety, containing all the popular shades. One is of damask and brocade poppies. Another is of French gray and damask, while a third is composed of damask roses and tea roses, which sparkle with clear de lune jet. An elegant wreath for a bonnet is composed of brocade and blue forget me nots, red berries, golden brown aconites, green plums and scarlet carnations. The latest bridal gowns are composed of orange blossoms, tiny oranges and lilies of the valley. Hawthorn and apple blossoms are also used with orange blossoms. Nearly all the flowers are sprinkled with clear de lune jet, silver gold or bronze dust. Brocade beetles are seen on many flowers, and these, together with the silver leaves, make a glittering display. The most popular bandeaux are composed of grapes and leaves; those of jet are also much sought after. Feathers in varied natural colors and white, brocade tips, bird of paradise plumage, breasts of birds in brocade, peacock and tulle tints attract admiration.

DIARRHEA RENDERED POWERLESS.—The most certain way to render powerless the miasmatic vapors which produce chills and fever and other malarial disorders, is to fortify the system against them with that matchless preventive of periodic fevers, Hatcher's Stomach Bitters. The remedial operation of the Bitters is no less certain than their preventive effects, and they may be relied upon to overcome cases of fever and ague which resist quinine and the mineral remedies of the pharmacopoeia. Dyspepsia, constipation, bilious complaints, rheumatic ailments and general debility, likewise rapidly yield to their regulative and tonic influence. They are an invaluable blessing to the weak and nervous of both sexes, an excellent family medicine, and the best safeguard against the traveler or emigrant can take to an unhealthy climate.

Physicians have used Speer's Port Grape Wine, and having applied to it the strictest test known to chemistry, they do not hesitate to pronounce it a pure wine of great strength, and recommend it to be of great advantage to the aged and infirm; also in low and typhoid types of fevers Speer's Port Wine will be found very superior.

HOW IT IS DONE.—The first object in life with the American people is to "get rich," the second, how to retain good health. The first can be obtained by energy, honesty and saving; the second (good health) by using GREEN'S AUGUST FLOWER. Should you be a dependent sufferer from any of the effects of Dyspepsia, Liver Complaint, Indigestion, &c., such as Sick Headache, Palpitation of the Heart, Sour Stomach, Habitual Constipation, Dizziness of the Head, Nervous Prostration, Low Spirits, &c., you need not suffer another day. Two doses of August Flower will relieve you at once. Sample bottles 10 cts.; regular size 75 cts. Positively sold by all first class Druggists in the United States.

"SEOLA REDWINE."—We have used Seola Redwine for some time, and our families and find it to be of wonderful efficacy in RELIEVING SICK HEADACHE.
